

**RRTA Armstrong Park 'n Ride  
Relocation  
Effective Wednesday,  
November 1, 2006**

Red Rose Transit Authority will be relocating the Armstrong Park 'n Ride Lot from the current lot located off of the Fruitville Pike to Clipper Magazine Stadium effective Wednesday, November 1, 2006. The last day to park in the current RRTA Armstrong Park 'n Ride lot will be Tuesday, October 31, 2006.

Red Rose Transit was recently informed that our lease with Armstrong World Industries for the Armstrong Park 'n Ride lot off of Fruitville Pike has been terminated due to the redevelopment project in that area involving Armstrong World Industries, F&M College, Lancaster General Hospital and the Economic Development Company of Lancaster County.

**New Clipper Magazine  
Stadium Location**

RRTA has secured 50 parking spaces at Clipper Magazine Stadium in the parking lot located behind the stadium near the Kids Play Area. Please enter the stadium at the main entrance from North Prince Street at Clay Street. Parking is still free in the new lot when you ride the trolley.

The Historic Downtown Trolley route will serve the relocated Park 'n Ride lot. All RRTA fares and prepaid transit passes will continue to remain the same. You can still ride the Historic Downtown Trolley for just \$29 a month if you buy an RRTA Base Zone Monthly Pass. If you choose to pay cash, \$1.25 Base Zone fare applies. The \$3.00 All Day Pass is another convenient option.

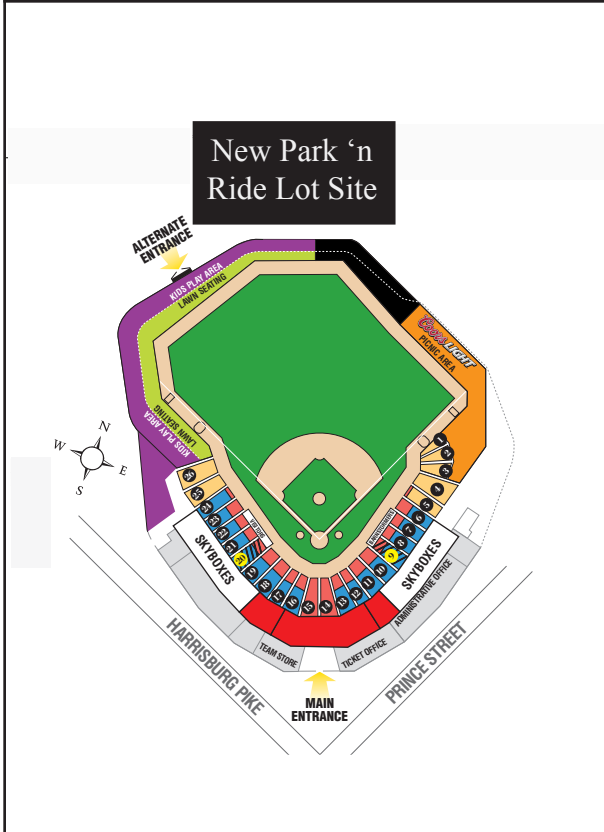

**Trolley Route Details**

The existing trolley route and schedule will see minor changes. The times that the trolley served the Armstrong Park 'n Ride lot will remain the same at Clipper Magazine Stadium.

The trolley route will begin at Queen Street Station and travel to the Amtrak Train Station and then travel McGovern Avenue to Prince Street to Jackson Avenue to Charlotte Street to Liberty Place parking lot to the back of Clipper Magazine Stadium to the new Park 'n Ride lot behind the outfield. The trolley will travel out of Clipper Magazine Stadium on to Prince Street and continue the current route.

A new schedule will be printed and will be available in the next couple of weeks. In the meantime, please use the existing times that the trolley is scheduled to be at the current park n' ride lot for the new Clipper Magazine Stadium lot.

## Map of New Park 'n Ride Location at Clipper Magazine Stadium

An RRTA Park 'n Ride sign will be placed at the parking lot to designate the pick-up point. There is no sticker ID required for parking in the lot at Clipper Magazine Stadium. Clipper Magazine Stadium leases parking spaces to other businesses so RRTA customers will not be the only customers parking in the lot. For your safety and security, please be sure to lock your car before leaving the Park 'n Ride Lot.

## Thank You For Your Understanding!

We thank you for your understanding during this transition. We apologize for any inconvenience this change may cause. If you have questions or comments please contact Jennifer Boley at [jboley@redrosetransit.com](mailto:jboley@redrosetransit.com) or by phone at 717-397-4246.
