

Route 14 – Walmart Bus Stop

March 31, 2020

Effective immediately, and at the request of Walmart Management, the only Route 14 Walmart Bus Stop is at the west end of the sidewalk in front of the store. There will be no U-turn by the loading dock.

The bus will enter WalMart, but will turn left and pull over to the sidewalk, then exit through the third row of the parking lot. A temporary bus stop sign will be placed to help customers.
