

Red Rose Transit partnered with Avail Technologies to install a real-time bus tracking system, which is powered by GPS technology.

Bus Finder allows riders to plan a trip, find their bus including its exact location, stop locations, set an email alert for bus arrivals/departures and retrieve up-to-the minute schedule information.

3 Ways to Access BusFinder

1. Computer (Desktop/Laptop):

-Visit www.redrosetransit.com & click BusFinder link on homepage.

2. Mobile Device (Smartphone/Tablet):

-Visit www.redrosetransit.com & Click BusFinder icon on mobile site.

3. App (for iPhones): -Search "MyStop" & download App. Select RRTA.
