How to Ride RRTA Buses

1. Locate a Bus Stop

RRTA bus stop signs are placed throughout Lancaster City and County along our routes. If you live in Lancaster City, locate the nearest

bus stop for your route and wait for the bus to come to your stop. Outside Lancaster City, if no bus stop sign is nearby, wait on the same side of the street as the bus travels. Wait at a safe area and “flag” (wave to) the driver as the vehicle approaches. Please be at the bus stop at least 5 minutes prior to the scheduled arrival of the bus.

2. Identify Your Bus

Each RRTA bus is identified by a route number and name, for example, “Route 1/Park City A/Southeast.” Each bus indicates the route number and/or name on the front and sides of the bus so it is easy to determine each bus from all directions.

3. Board Your Bus

- Remember to stand in clear view of the driver and wave as the bus approaches if you are not at a marked bus stop. Waving to the driver is also helpful while standing at a marked bus stop to let the driver know you would like to board that particular bus. You may wave a flashlight to ensure the driver sees you waiting in the dark.
- If you find it difficult to climb the front steps of the bus, ask the driver to lower the bus for you. Our buses have a special “kneeling feature” which lowers the first step to curb level.

- If you see a bus coming toward you that isn’t the one you want, wave the driver on.
- Let departing passengers off before you try to board.

4. Pay Your Fare

Fares are paid when you board any RRTA bus. If you are paying in cash you must have exact change. If you are transferring from one bus to another to complete your one-way trip, ask the driver for a transfer slip when you board. The transfer slip helps you save money on the second bus. For customers using mobile payment, transfers will occur automatically in the app.

5. Exit Your Bus

Usually drivers will bypass stops where no one is waiting, unless someone signals to get off. As the bus approaches within one block of your stop, signal the driver by pulling the cord or pushing the yellow strips or red stop buttons, which are located on both sides of the bus or on the railings along the aisle.

In Lancaster City, passengers must get on and off at marked bus stops signs. Outside Lancaster City passengers may get on and off along the route, even if there is no marked bus stop sign.

ALL BUSES ARE WHEELCHAIR ACCESSIBLE

For the safety of all passengers, RRTA requires operators to secure all mobility devices with proper 4-point securement before transport.

Como Viajar en los Autobuses de la RRTA

Localize Su Parada

Los letreros de las paradas de autobuses de RRTA están localizados por toda la ciudad y el Condado de Lancaster a lo largo de las rutas. Si vive en la ciudad de Lancaster, localice la parada de autobús más cercana para su ruta y espere a que llegue su autobús. Si no hay una parada de autobús fuera de la ciudad de Lancaster, espere del lado de la calle del sentido en que viaja el autobús. Espere en un lugar seguro y hágale señas al conductor mientras se acerca el autobús. Por favor llegue a su parada por lo menos 5 minutos antes de la hora asignada en el itinerario.

Identifique Su Autobús

Cada autobús de la RRTA está identificado con un número y un nombre, por ejemplo, "Route 1, Park City A/Southeast". Cada autobús muestra el número de la ruta y/o el nombre en el frente, los lados y detrás del autobús, lo que facilita determinar cada autobús en todas direcciones.

Aborde Su Autobús

- Recuerde ponerse a la vista haciendo señales con su mano al conductor mientras se acerca el autobús, si usted no está en una parada designada. Sería provechoso hacerle señales con la mano al conductor, aunque se encuentre en una parada designada, para dejarle saber que usted desea tomar ese autobús en particular.
- Si encuentra que es difícil subir los escalones localizados al frente del autobús, pídale al conductor que baje el autobús para usted. Nuestros autobuses tienen la capacidad especial de "arrodillarse" lo que permite bajar el primer escalón al mismo nivel de la acera.
- Si ve venir un autobús que no es el que usted desea tomar, hágale señales al conductor para que siga su ruta.

- Deje que los pasajeros salgan antes de subir.

Pague Su Tarifa

Las tarifas se pagan cuando aborda cualquier RRTA autobús. Si paga en efectivo debe tener cambio exacto. Si estás transfiriendo de un bus a otro para completar tu viaje de ida, pídale al conductor un transbordo resbalar al abordar. la boleta de transferencia le ayuda a ahorrar dinero en el segundo autobús. Para los clientes que utilizan el pago móvil, las transferencias ocurrirán automáticamente en el aplicación

Llegue a Su Destino

Usualmente, los conductores pasarán por alto las paradas donde no hay nadie esperando, a menos de que alguien indique que se quiere bajar. Cuando el autobús esté a una cuadra de distancia de su parada, hale el cordón ó presione las cintas amarillas ubicadas a cada lado del autobús.

En la ciudad de Lancaster, los pasajeros deben subir y bajar en las señales de parada de autobús marcadas. Fuera de la ciudad de Lancaster, los pasajeros pueden subir y bajar a lo largo de la ruta, incluso si no hay ninguna señal de parada marcada.

TODOS LOS AUTOBUSES SON ACCESIBLES PARA SILLAS DE RUEDAS

Para la seguridad de todos los pasajeros, RRTA requiere que los operadores aseguren todos los dispositivos de movilidad con la seguridad adecuada de 4 puntos antes del transporte.

Ride with Respect

We want everyone to enjoy riding RRTA and it all starts with Ride with Respect, our customer code of conduct that calls on riders to treat everyone the way they'd want to be treated.

Our Passenger Code of Conduct

Ride with Respect is about just that: riding with respect. To continue making RRTA a safe, enjoyable experience for everyone on board, we ask that our riders stick to a few simple guidelines.

The following are prohibited on RRTA property and vehicles:

- Spitting, littering, indecent exposure, stealing/damaging RRTA property and disorderly conduct.
- Avoid abusive, threatening or obscene language.
- Disturbing or harassing other passengers or the driver.
- Bringing animals (any pets besides service animals). However, small pets in pet carriers are permitted.
- Smoking tobacco — even electronic cigarettes.
- No food or drink permitted on buses.
- Playing music is permitted only if you have ear buds or headphones that prevent your music from bothering others on RRTA. Turn off the speaker function while riding.
- It's illegal to avoid paying RRTA fare, whether by skipping payment or using counterfeit fare.
- It's also illegal to bring explosives, fuel containers of any kind or other potentially dangerous objects on RRTA property or buses.
- Selling goods or services isn't allowed on RRTA, this includes giving out commercial hand bills and flyers to passengers on buses.
- Strollers, umbrellas and carts must be folded while boarding the bus.

Riding RRTA is a privilege. At our discretion, RRTA has the authority to remove riders from its property or buses for any prohibited behavior and possible suspension from service. This includes prosecution to the fullest extent of the law for any harassment or violence towards any RRTA Operator or staff.

Being respectful of the people around you and being considerate to RRTA employees doesn't take more than common courtesy.
And common courtesy is all we ask from our riders.

Adopted by the Board of Directors on August 15, 2018

Bike 'n Ride

Ride Your Bike to the Bus

RRTA has bike racks on all buses to help you get to where you need to go easier! Just ride your bike to a bus stop, put your bike on the bike rack and hop on the bus! Biking & taking transit contribute to cleaner air and more livable communities! Bike racks can hold two bikes. If a bike rack is full, RRTA allows bicycles to be placed inside the bus when space permits. There is no charge for a bike.

Three Easy Steps to Use the Bike Rack

Step 1: Lower Rack Squeeze center handle and pull rack down.

Step 2: Load Bike Place bike in one of the two bike spaces.

Step 3: Secure Wheel Pull the security arm over the bike's wheel to keep bike in place. The only contact is with the wheel of the bike so there is no damage to the bike frame.

Each passenger is responsible to place their bike on the bus and take the bike off of the bus. When finished using the bike rack and the rack is empty, please place it in the folded position.

How to Read a Schedule

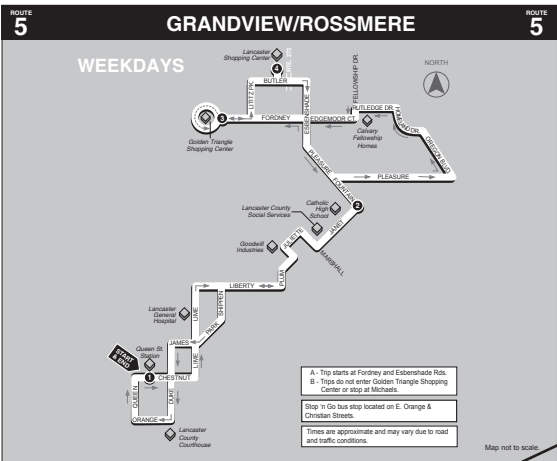

Here are some tips to make reading our schedules easier.

The route always runs from left to right. The map and schedule are also read from left to right.

Be sure to look at the correct side of the schedule. Some schedules have a weekday and weekend page. Our County routes have an inbound and outbound side.

The bus stops are noted with numbers on the route map that match the numbered columns (timepoints) below the map in the time section. These timepoints note when the bus will be at that specific location. There are many bus stops in between the time points. Times for bus stops not listed can be estimated by looking at the previous timepoint.

If there are any special deviations from the regular route they are noted in a box on the map with a corresponding letter. The letter is noted in the time section when it will occur.

Helpful Tip:
Please be at your bus stop at least five minutes prior to the scheduled arrival time.

Timepoints

Not all bus stops are listed on the schedules. There are many bus stops in between the listed timepoints. Customers can estimate the time the bus will arrive at a bus stop not shown on the schedule.

Also, drivers must wait at the timepoints until the scheduled time before they move onto the next bus stop along the route.

Transit Watch Safety and Security Awareness Program

***Let's count on each other
for a safe ride.***

Be Involved.

Be Informed.

Be Alert.

Be Prepared.

These 4 B's are your ticket to a safe, secure ride.

Be Involved in a Lifesaving Partnership: Transit Employees and Passengers

As a resource, transit employees provide a wealth of specialized knowledge and on-the-job experience. Likewise, transit passengers contribute to the security equation by providing thousands of extra eyes and ears capable of identifying possible life-threatening situations.

When transit employees and transit passengers pool these resources, the result is a highly effective, first line of defense against a potential natural or man-made disaster. Please make a commitment to becoming an alert, informed, prepared and involved member of this employee-passenger partnership.

Rest assured, your efforts will go a long way toward enhancing the safety and security of our transit system.

Be Informed And Have a Transit Plan Of Action

- Familiarize yourself with station entrances
- Remain calm and listen for station, train or bus announcements
- Follow transit authority instructions in a speedy but orderly fashion
- Do not block train or bus doors from closing
- Assist fellow passengers and follow the Golden Rule: Watch out for the safety of others just as you would have them watch out for your safety

Be On The Alert For Suspicious Packages

If you spot an unattended package, look for the following:

- Placement in an out-of-the-way location
- Individuals in the act of abandoning the package and hastily departing the area
- Unusual attached batteries, wires, tanks, bottles or bags that might contain chemicals
- An attached message

- A suspicious cloud, mist, gas, vapor, odor or seeping fluid
- Nearby individuals showing signs of illness or distress

Be On The Alert For Suspicious Behavior

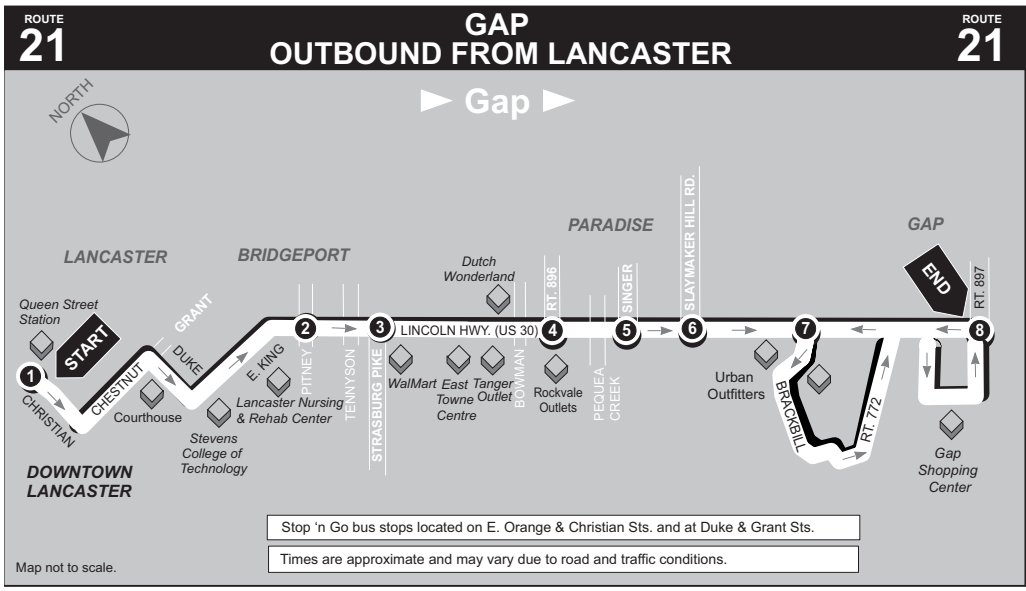

If you spot any suspicious individuals engaged in questionable activity, look for the following:

- Visible signs of nervousness
- Excessive sweating
- Sprayer bottles or aerosol canisters
- Inappropriate clothing that is excessively baggy or too heavy in warm weather

Recommended course of action: Do not confront suspicious individuals. Contact a transit employee or the police immediately. In the event of a suspicious package, do not use a cellular phone until you are a safe distance away.

Preparedness Tips

- Create an advance plan for maintaining contact with family members if separated as a result of an emergency
- Create an advance plan for maintaining contact with close friends and colleagues during an extended emergency period
- Keep a record of all contact and emergency information and update it regularly as needed
- Select a location outside your home as a family meeting point should your home need to be evacuated
- Identify alternate routes and means of reaching your meeting point, in the event your main route is impassable
- Keep a local map handy for reference
- Make sure your emergency information and contact numbers are with you at all times

ADA Services

About the Red Rose Transit Wheelchair Accessible Bus Service...

All RRTA vehicles used for our fixed route service are fully accessible in accordance with the Americans with Disabilities Act (ADA) of 1990. These features include:

- Driver-operated wheelchair lifts or ramps
- “Kneeling” capability whereby drivers can lower the buses’ steps to make boarding easier
- Ample space in the front of the bus to accommodate wheelchairs

Should a person with a disability be unable to board these buses or need to travel more than $\frac{3}{4}$ mile to or from an RRTA bus stop, we also offer Red Rose Access, a shared ride program (an “ADA paratransit system”) which offers door-to-door transit service.

About the Red Rose Access Shared Ride Service...

Who Is Eligible?

Individuals who have a disability may be eligible for shared ride transportation with Red Rose Access if their disability prevents them from independently boarding an RRTA bus. ADA requires transportation to be provided within $\frac{3}{4}$ of a mile radius of fixed-route bus service. If there is no fixed-route bus service, transportation is not required.

Applying for the ADA Shared-Ride Program

An application must be completed to determine eligibility. An application may be completed on-line by visiting www.redrosetransit.com or by calling (717) 291-1243 and a customer service representative will mail the application.

RRTA provides several options to assist communicating with individuals who do not speak English. RRTA contracts with Language Line Solutions to provide translation services. RRTA will conference call in the interpreter.

For individuals who are hearing impaired, RRTA encourages customers to use the PA Relay Service. This service can be accessed by calling 711. The translation and interpretation services are free of charge.

In Person: Applications may also be obtained and completed at:

The RRTA Information Center at Queen Street Station, 225 N. Queen St., Lancaster or the RRTA Operations Center, 45 Erick Rd., Lancaster.

A physician must certify the applicant's disability for program approval.

How Quickly Can An ADA Complementary Shared-Ride Application Be Processed?

Within 21 days of receiving an ADA application for service, RRTA is required to make a determination of eligibility.

Scheduling a Trip?

Trip reservations may be scheduled by calling (717) 291-1243 between 7:30 a.m. and 5:30 p.m., Monday through Friday and 8 a.m. to 4:30 p.m. Saturday and Sunday. Trips must be scheduled at least one day in advance. Service is available Monday through Saturday from 5:30 a.m. to 11 p.m. and Sunday from 7 a.m. to 7 p.m. depending on the availability of regular fixed-route services.

In accordance with the ADA, RRTA may be required to adjust your scheduled pick-up to coordinate with other customer requests.

When calling to schedule a trip, please have the following information ready:

- The address where the customer wants to be picked up
- The full address of the final destination
- The appointment and return time
- Any special assistance requirements
- Customers should be ready early and wait for the driver at the exact address given when making the reservation. Customers should wait where you can see the vehicle approach. The drivers can wait only 5 minutes.

How Much Does It Cost To Ride?

ADA Certified individuals will pay no more than twice the fare of someone riding the same route on an RRTA fixed-route bus. Payments are due at time of boarding the vehicle.

Can I travel with a friend?

A companion may travel with you. Your companion will pay the same fare as you for each ride. Additional fare paying companions will be permitted if space is available. If approved during the application process, a Personal Care Attendant (PCA) may ride with you to assist with your mobility needs; the PCA will ride at no cost.

How to Cancel a Trip?

Customers should call as soon as they know that they are no longer need their trip. If customers must cancel on the same day the trip is scheduled, call (717) 291-1243 at least 45 minutes prior to the scheduled pick-up time.

If the customer does not cancel the trip, a "No Show" will be issued.

ADA "No Show" Policy

Failure to cancel a trip at least 45 minutes in advance of the scheduled pick-up time or choosing not to travel upon arrival of the vehicle will result in a "No Show".

Customers who receive 3 "No Shows" in one calendar month period will be suspended for 7 days.

Out of Town Visitors for ADA

If a visitor does not have ADA eligibility documentation from another jurisdiction, we will still provide service. We may request proof of residency, and if the disability is not apparent, documentation of the individual's disability. We will accept a certification by the visitor that he or she is unable to use fixed-route transit. This means that we cannot require documentation beyond the visitor's "say so" that he or she cannot require documentation beyond the visitor's "say so" that he or she cannot use the fixed-route system.

Need help with transportation during 2nd & 3rd shift work times?

RRTA's Access to Jobs program may be able to help. The Access to Jobs program is a unique program that uses both RRTA's bus route services and shared-ride services to help workers who need late night transportation. For schedule information, check out our website at www.redrosetransit.com, visit our RRTA Information Center at Queen Street Station, 225 North Queen Street, Lancaster or call us at 397-4246 for schedule information.

RRTA's Shared Ride Service

The second portion of the Access to Jobs program is through RRTA's shared-ride service to provide transportation during 2nd and 3rd work times when RRTA's bus routes are not operating.

The metro area is approximately a 10 mile radius of Lancaster City and service is provided through our shared ride carrier Easton Coach Co.

American With Disabilities Act (ADA) Reasonable Modifications

On March 13, 2015, the Federal Department of Transportation issued a Final Rule affecting 49 CFR Parts 27 and 37: Transportation for Individuals With Disabilities; Reasonable Modification of Policies and Practices. The purpose behind this final rule is, "...specifically to provide that transportation entities are required to make reasonable modifications/accommodations to policies, practices, and procedures to avoid discrimination and ensure that their programs are accessible to individuals with disabilities." The modification requires Federal funding recipients make reasonable accommodations in policies, practices, or procedures, when necessary, to avoid discrimination on the basis of disability unless recipients can demonstrate that making the accommodations would fundamentally alter the nature of the service, program, or activity or result in an undue financial and administrative burden. This requirement, applying to both fixed-route and paratransit services, is effective July 13, 2015.

RRTA's Reasonable Modification request process is consistent with the ruling: (1) individuals requesting modifications are asked to describe what they need in order to use the service; (2) individuals are not required to use the term "reasonable modification" when requesting modifications or accommodations; (3) when feasible, requests for modifications should be made in advance; (4) operating personnel may make a determination for modification at the time of service—management may be consulted to grant/deny the request.

Requests may be submitted to the Reasonable Modification Officer, 45 Erick Road, Lancaster, PA 17601 or by email info@redrosetransit.com or by phone (717) 397-4246. For more information, visit <http://www.redrosetransit.com>

Americans with Disabilities Act (ADA) Modificación Razonable

El 13 de marzo de 2015, el Departamento Federal de Transporte emitió una norma definitiva que afecta a 49 CFR Partes 27 y 37: Transporte para Personas con Discapacidad; Modificación Razonable de Políticas y Prácticas. El propósito detrás de esta regla final es: "... específicamente para disponer que se necesitan entidades de transporte para hacer modificaciones razonables / alojamiento en las políticas, prácticas y procedimientos para evitar la discriminación y garantizar que sus programas sean accesibles a las personas con discapacidad." La modificación requiere beneficiarios federales de financiación hacen ajustes razonables en las políticas, prácticas o procedimientos, cuando sea necesario, para evitar la discriminación por motivos de discapacidad a menos beneficiarios pueden demostrar que lo que el alojamiento alteraría fundamentalmente la naturaleza del servicio, programa o actividad o dar lugar a una carga financiera y administrativa excesiva. Este requisito, aplicando tanto a ruta fija y servicios de transporte informal, es efectiva 13 de julio 2015.

Razonable proceso de solicitud de modificación de RRTA es coherente con la sentencia: (1) las personas que solicitan modificaciones se les pide que describan lo que necesitan para utilizar el servicio; (2) los individuos no están obligados a utilizar el término "modificación razonable" al solicitar modificaciones o adaptaciones; (3) cuando sea posible, las solicitudes de modificaciones deben hacerse con anticipación; (4) El personal que operan pueden hacer una determinación para la modificación en el momento de la gestión del servicio puede consultarse a conceder / denegar la solicitud.
